1 CHAIR JAMES: As you remember we have a little
2 unfinished business from yesterday. During the conversation of
3 casinos Dr. Dobson mentioned that he has some additional
4 recommendations that he would like to bring before us for
5 discussion.

6 I think maybe a good way to do that is just to have you
7 read each proposition, and then have the Commissioners respond
8 to, discuss it, and then we will move on to see how much
9 consensus we can build around any of these recommendations.
